

KERR MAANGUE

Remote Pre-Construction Administrative Assistant & Project Controls Specialist

Philippines | Remote Specialist | Email: kerr.maangue14@gmail.com | LinkedIn: linkedin.com/in/maanguekerr | Portfolio: kerrmaangue.github.io

PROFESSIONAL SUMMARY

Detail-oriented Remote Project Controls Specialist and Virtual Administrative Assistant with over 5 years of experience supporting capital project management, pre-construction planning, and data accuracy across major AEC firms, public school districts, municipal authorities, and Dodge Construction Network (DCN). Skilled in Procore, Bluebeam Revu, Smartsheet, Excel budget modeling, and CIP project extraction.

CORE COMPETENCIES & TOOLS

Project Controls: CIP Research, Pre-Con Look-Ahead Schedules, RFI/Submittal Logs, ADA Audits

Software Stack: Procore, Bluebeam Revu, Dodge Global Network (IRIS), Smartsheet, Excel

Estimating & Valuation: Code Price Matrix Modeling, Square Foot Rate Calculations, DOT Mile-Marker Costing

Admin & Collaboration: Virtual Project Coordination, Document Control, Salesforce, MS Teams, Zoom

WORK EXPERIENCE

Freelance Remote Project Controls & Administrative Specialist | Independent Client Services

Remote | 2023 – Present

- Managed project controls, pre-construction planning, and virtual administrative support for multiple high-value capital improvement projects across California, Colorado, Texas, and Illinois.
- **Manhattan Middle School Improvements (Boulder Valley School District RE-2, CO):** Supported project manager from planning through active construction tracking across plumbing repairs, concrete work, ADA compliance, and \$455k CTE learning space overhaul.
- **Public Safety Campus Program (Mountain View, CA):** Managed pre-construction administrative coordination for a \$100M+ unified public safety building and multi-level parking garage.
- **RELLIS Campus New Nuclear Reactor (Bryan, TX) & Municipal Water Facilities (Greeley, CO):** Maintained master document logs, submittal registers, and multi-agency project records.

National Public Planning Reporter / Remote Project Controls Specialist | Dodge Construction Network (DCN)

Remote | 2018 – 2023

- Monitored Capital Improvement Plans (CIPs), State Revolving Funds (SRF), Bond Referendums, and municipal agendas across multiple US regions.
- Created and updated initial Dodge Reports (V1s), logged RFIs, tracked A/E selection schedules, and maintained project deduplication.
- Utilized Code Price List v3.2 matrices to calculate preliminary project valuations across General Building (GB), Civil/Engineering, and DOT sectors.
