

Kurt Maangue

Remote Project Controls Specialist & Virtual Administrative Assistant

Philippines (remote) | maanguekurt@gmail.com | [linkedin.com/in/kurtmaangue](https://www.linkedin.com/in/kurtmaangue)

SUMMARY

Remote pre-construction administrative assistant and project controls specialist supporting AEC firms, school districts and capital project leaders with administrative coordination, budget tracking and submittal logs. Five years of remote work turning public planning documents into accurate, deduplicated project records.

EXPERIENCE

Dodge Construction Network (DCN) | National Public Planning Reporter / Remote Project Controls Specialist | 2018 to 2023

- Tracked capital improvement plans (CIPs) and other public planning sources
- Managed Dodge Reports (V1s) and logged RFIs
- Deduplicated project records and managed source communications
- Maintained a Code Price List and estimating matrix: square foot, unit and DOT mile-marker valuation
- Tracked 500+ public projects

SELECTED PROJECT SUPPORT

- **Manhattan Middle School Improvements:** master schedule tracking, permit logs, RFI/submittal coordination and \$455k CTE renovation budget tracking
- **Mountain View Public Safety Campus Program (2025):** RFP/RFQ tracking and pre-construction administrative coordination across the Public Safety Building and Parking Garage
